In re application of: David Tsay et al.
Application No.: 10 / 588,575 Group No.: 1764
Filed: August 3, 2006 Examiner:
For: Single Stage Membrane Reactor For High Purity Hydrogen Production

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

REQUEST FOR WITHDRAWAL AS ATTORNEY (37 C.F.R. § 10.40(c))

NOTE: If a period has been set for response and the period may be extended without a showing of cause pursuant to 37 C.F.R. § 1.136(a) by filing a petition for extension of time and fee, the practitioner will not be required to seek such extension of time for withdrawal to be approved. In such a situation, however, withdrawal will not be approved unless at least 30 days would remain between the date of approval and the last date on which such a petition for extension of time and fee could properly be filed. M.P.E.P. § 402.06, 8th ed.

WARNING: If the Request for Withdrawal is filed after mailing of the Notice of Allowance it can result in a reduction in patent term under 37 C.F.R. § 1.704(c)(10). Therefore, care should be taken to resolve the question of withdrawal before this possibility.

CERTIFICATION UNDER 37 C.F.R. §§ 1.8(a) and 1.10*
(When using Express Mail, the Express Mail label number is mandatory;
Express Mail certification is optional.)

I hereby certify that, on the date shown below, this correspondence is being:

* Only the date of filing (§ 1.6) will be the date used in a patent term adjustment calculation, although the date on any certificate of mailing or transmission under § 1.8 continues to be taken into account in determining timeliness. See § 1.703(f). Consider "Express Mail Post Office to Addressee" (§ 1.10) or facsimile transmission (§ 1.6(d)) for the reply to be accorded the earliest possible filing date for patent term adjustment calculations.

REQUEST FOR PERMISSION TO WITHDRAW

1. I, an attorney signing below, respectfully request permission to withdraw from all further responsibility in this case, in accordance with 37 C.F.R. § 1.36.

(complete the following item, if appropriate)

- ☐ Because the amendment referred to in Item 4A(iii) below is a continuing application signed only by an attorney named below under

☐ 37 C.F.R. § 1.60(b),

☐ 37 C.F.R. § 1.62(c),

this withdrawal request is also for such continuing application.

LAST KNOWN ADDRESS OF CLIENT

2. The last known mailing address of the:

☒ inventor(s)

☐ assignee of the entire interest

is David Tsay, Ampion Systems Inc.,

73 Pheasant Landing Road, Needham, MA 02492

BASIS FOR WITHDRAWAL REQUEST

3. The basis for the request for withdrawal is 37 C.F.R. 10.40(c) §(1)(iv) and (vi) as explained below.
Explanation (including brief description of exhibits, if any):

Repeated efforts to contact this client over the past several years, including renewed efforts within the last few weeks, by regular mail, email and telephone have all been unsuccessful. Return-receipt mail has been returned by the U.S. Postal Service marked "Undeliverable" and "No Forwarding Address." The client has apparently relocated but has failed to provide me with new contact information. This situation makes it "unreasonably difficult," indeed impossible, "for the practitioner to carry out employment effectively" in accordance with 37 C.F.R. 10.40(c)(1)(iv). Furthermore, this client has a large unpaid balance due on his account dating back to December 2005. Periodic statements and outstanding billing reminders sent to this client have been returned as "Undeliverable." Therefore, this request for permissive withdrawal is also in accordance with 37 C.F.R. 10.40(c)(1)(vi). (Request for Withdrawal as Attorney [12-5]—page 2 of 6)

ALLOWANCE OF TIME FOR CLIENT TO ACT

4. Status of this Application

(complete the following, if applicable)

- (iii) ☐ Also submitted herewith, is a response to the outstanding Official Action.

B. Time Left for Response

Therefore, the amount of time for response, including extension under 37 C.F.R. § 1.136(a), is:

Dear David:

I have made repeated efforts over the past two and a half years to contact you by regular mail, email and telephone concerning the status of the above-identified patent application and the substantial outstanding balance due on your account. All of these efforts have been entirely unsuccessful. You have apparently relocated, and you have not provided me with any forwarding address or other contact information. You have made no effort to contact me during this period.

Under these circumstances, I can no longer continue to represent you in this matter. Accordingly, please be advised that I have on this date filed a Request for Withdrawal as Attorney (37 C.F.R. §10.40(c)) with the United States Patent and Trademark Office (copy enclosed).

All future USPTO communications regarding the above-identified patent application will be directed to you at your last known address. Failure to timely respond to such USPTO communications is likely to result in the patent application becoming abandoned. I will not receive such communications and, even if received, I will not respond on your behalf. As of this date, however, there are NO outstanding communications from the USPTO relating to this application that require any response.

I am forwarding copies of this letter to the two co-inventors listed on this application at their last known addresses in the event that either or them has any interest in pursuing this matter.

Sincerely yours,
